Information and Analytical Trends in Global Open Education and Science

2nd International Scientific and Practical Conference

(for the All-Ukrainian Science Festival)

Strategic Partners of the Conference

- ❖ Public Union 'Association for the Development of Professional and Continuing Education', Ukraine
- ❖ Public Organisation 'School of Adaptive Management of Social and Pedagogical Systems', Ukraine-USA
- ❖ European Institute of Further Education, Slovak Republic
- ❖ IBK Ingenieurbüro Koeberlein GmbH & Co. KG, Germany
- ❖ International Society for Engineering Pedagogy IGIP
- ❖ Training and Methodological Centre for Vocational Education in Donetsk Oblast, Ukraine
- ❖ Polytechnic Institute of Portalegre and University of Lisbon, Portugal
- ❖ Istanbul University, Turkey
- ❖ Centre for Vocational Education and Training, Ukraine

Purpose and Objectives

Clarification and substantiation of scientific and methodological principles of information and analytical support of digital transformation of education, pedagogy and psychology; discussion of promising ideas for the development of open information and educational space; formulation of conclusions and recommendations on the investigated problem of digital transformation of education, pedagogy and psychology; exchange of educational and research experience in this context.

Thematic Focus

1. Conceptual Foundations of Scientific and Analytical Support for Open Educational Environments;
2. Information and Analytical Support for Open Education Management;
3. Open Information Space for Educational Institutions, Research Institutions, and Educational Libraries;
4. Professional Pedagogy in the Context of Open Education;
5. Psychological Determinants of Information and Analytical Support for Open Education and Science.

Organisational Conditions

Organisational fee: **FREE**

Conference languages: Ukrainian, English, other EU languages as agreed with the Organising Committee.

Form of delivery: online on the Zoom platform via the link that will be sent to all conference participants after registration via G-FORM:

https://docs.google.com/forms/d/e/1FAIpQLScvnCBQSlaaAKiHgn2Fks_k1kEbyeO8fdVpxHkbSyg9qxWzsw/viewform?usp=preview

Form of participation: report, presentation, presentation, video/video presentation, discourse (participation in the discussion), etc.

Time limits: reports - up to 10 minutes, messages - up to 5 minutes.

Forms of publishing the results of the event:

- announcement on the website of the V. Sukhomlynskyi State Scientific and Educational Library of Ukraine and on the websites of co-organisers and strategic partners;
- positioning by means of Facebook;
- publication of a monograph.

All participants registered by the deadline will receive:

Conference Programme, Participant Certificate and

ELECTRONIC COPY OF THE MONOGRAPHY (in case of submission of author's sections)!

Publication Conditions

ATTENTION! Authors should send the chapters of the monograph 'Information and Analytical Trends in the Global Digital Transformation of Education, Pedagogy and Psychology' by 15 May 2025 (inclusive) to the following email address: vniaso.2024@gmail.com

1. The name of the attached file must be: **Surname_monograph**

The subject line for sending materials by e-mail should include:

Surname_Materials for the VNIASO monograph.

2. Requirements for the publication of the monograph section:

2.1. Volume - 20-24 pages (size 14, Times New Roman, interval - 1.5). Top, bottom, left, right margins - 20 mm.

The text is typed without hyphenation, in the full width of the page. Pages are not numbered.

Use paired quotation marks (« »).

When typing, distinguish between hyphens and dashes. It is forbidden to tabulate a paragraph (use a ruler).

2.2. The formulas (if any) are centred, numbered and typed in the Microsoft Equation editor. For example:

$$\Omega = (E, X, R, P, \Lambda, I, \lambda) \quad (1)$$

2.3. Tables should have a heading placed above the table.

The heading and text of the table should be formatted as follows: 11pt, centre (Table 1).

Monograph page format

Page	A4 sheet size, cm
Top	2
Bottom	2
Left	2
Right	2

2.4. Each figure must be signed. The caption (title) of the figure should be written: 11pt, centre (Fig. 1).

Fig. 1. Figure caption

2.5. When referring to graphical objects in the text, use the following notation:

formula - (1), (1, 2); table - (Table 1), (Table 1, 2); figure - (Fig. 1), (Fig. 1, 2).

2.6. An unbroken space between the initials of the persons is required (simultaneously hold down Ctrl + Shift + Space)!

2.7. The abstract in English should be at least 500 characters long.

2.8. Articles and information about the author should be sent in one file, signed by the author's name (for example, Ivanenko.rtf or Ivanenko.doc).

2.9. Information about the author(s): surname, name, patronymic, academic degree, academic title, contact phone numbers, e-mail, ORCID, if available - Scopus Web of Science identifiers, personal photo of the author(s).

Single author monographic sections are welcome. If necessary, no more than one co-author is allowed in a monographic section (information about the co-author is provided in full with a personal photo), and, if necessary, gratitude is expressed to all those who contributed to the quality of the section's materials or the preparation of the research results presented in the article.

2.10. Information about the author should be provided in two languages - Ukrainian and English (please fill in all the items in this order; not in a table format):

AUTHOR'S INFORMATION DATA:

For the table of contents:

In Ukrainian: **Глушко І. А.** Інформаційні технології у бібліотечній справі

In English: **Glushko I. A.** Information Technologies in Library Work

For the programme:

Глушко Іван Андрійович – кандидат педагогічних наук, доцент, докторант кафедри інформаційних технологій Дрогобицького університету, м. Дрогобич, Україна.

Information technologies in library work

Glushko Ivan Andriiovych – Ph.D in Education (Pedagogy), Associate Professor, Postdoctoral Researcher at the Department of Information Technologies, Drohobych University, Drohobych, Ukraine.

Information Technologies in Library Work

Please publish the materials in the section 'TITLE OF THE CONFERENCE AREA IS IDENTICAL TO THE TITLE OF THE MONOGRAPHY SECTION'. E-mail address for distribution of conference documents and e-monographs. Author's contact phone number for communication with the Editorial Board.

2.11. The authors are responsible for the accuracy of the facts, quotations and references. The material is submitted by e-mail or added in the Google form during registration. The Organising Committee reserves the right to select materials for publication. The Editorial Board does not accept materials that do not have the appropriate formatting and reserves the right to select materials for publication. The author is responsible for the accuracy of the personal data provided.

2.12. Notifications of the results of the approval of the monograph sections are sent to the authors within two weeks after the final conclusion of the Editorial Board.

The monograph is expected to be published in October–December 2026.
